REVIEW OF LITERATURE

• Political Leaders

Views on article 370 are controversial. The leaders from ruling parties had positive views while that of opposition party leaders viewed it in a negative way. The ruling party leader Amit Shah said that it was a tribute to those who sacrifice for a united India. He also said that now there will be no more "do nishaan do samvidhan".

Arun Jaitley said that the wrong has been corrected today. Ram Madhava conclude his view by saying that "the 7 decade old demand of the entire nation being realized in front of our eyes." Himanta Biswa Sarma tweeted as the integration of India that Sardar Patel stated was completed by two men from Gujarat. Aditya Thackeray the young leader from the Maharashtra said that now the people from J & K, Ladakh will get peace, progress and prosperity.

The opposition party leaders Mehbooba Mufti tweeted that it was unconstitutional and illegal decision of government of India to rule out Article 370. Salman Nizami said that removing article 370 is against the

wishes of the people of J & K. Capt. Amarindev Singh had an objection on the manner in which article 370 & 35A have been revoked. He further said that it violates the spirit of the constitution. Arvind Kejariwal chief minister of Delhi supported government and wished that this will bring peace and development of state. Chandrababu Naidu also supported the decision made by government of India.

- **Journalist / Media Persons**

Shantanu Nandan Sharma wrote in the economic times that people of J & K are shocked and angry and the real challenge will be after restriction are eased for government of india. Editorial director swarajya R Jagannathan conclude that article 370 was just used to blackmail the center and maintain their own hold on power by playing with local emotions. It was just half battle won half is yet to be won published in the economic times.

- **Industrialist/ Businessman's**

Many of the Industrialist having positive views on article 370. I will boost the investment in J & K, helps to developed tourism, manufacturing, service, trading, and hoteling business. Availability of land, labour, capital, entrepreneur will provide new market and opportunity within country.

Hotel owner (hotel paradise,shrinagar) Danish Farooq to put toward his concern about article 370 is much more than the business loses. Mahamad Iqbal a shepherd from sonmarg also put toward his concern that he could not sale his sheep's due to curfew and he should leave to his village from shrinagar.

- **Common Man**

Common people are having lost of hope after becoming U T. They are expecting basic infrastructure facilities and development models in leh and ladakh. They are expecting huge funds from central government for agricultural development, transportation facility and market for agricultural products. They want residential Complexes, schools and universities for both students and staff, securities from outside terrorist, transportation facility, power supply, mobile and internet connectivity and all monetary and non-monetary benefits for people stated by Raghav Chandra in Economics times.

Common people get the right to sale their land for those who moved at the time of partition, they are expecting new jobs their children's. Most of the Kashmiri girls can hold and sale land of the J & K after married with other caste or shift to other states mentioned by Avinash Kumar & Mr. Chand.

Most of the people are disappointed because of not considering them before taking decision. If government tried to discuss or debate this issue with Kashmiri people then they will have different reaction of mention by the Hinduby Damini Nath.

OTHER VOICES

The Kashmir famous actor Anupam P Kher said that it was best news of his life about Kashmir. It was best gift of his life. Mr. Prashant Bhushan comment that it is unconstitutional decision, without permission of state assembly. Central government is not allowed to take decision by president or governor's consent. Mr. harsh Goenka react that it id historic day 'one flag, one nation, one constitution long live indai' it is land mark decision helps to boost patriotism in kashmiris and all Indians. Rajeev Deshpande comment on ruling party that opposition parties are underestimating ruling party and fixed growth and investment secure borders and internal peace are the best option for steady economic growth. Caittagosh Mookarjee said that his uncle's(S P Mukharjee) dream come true of one nation one law and one flag.

CONCLUSION

Around 70 % people are positive about removal of article 370. All the political parties are taking stand according to the position in the loksabha and rajyasabha. All the ruling parties are having positive aspect and opposition parties are considering negative part of this issue. All the media people are having mix point of views and having confusion about the future prospective of Kashmir. The entire industrialists are having positive impact because they are searching future market in Kashmir. Common man is having bad feeling about implementation of this issue but they hope for development and better place for the future generation. If we consider overall point of view of the people every one is expecting good come out of it.
